Save with the Individual and Family Network

We've contracted with doctors, facilities and practitioners to provide you with care at a discounted price.

Providers in your network are located in these counties

The network includes a large number of hospitals across the state

Please visit asuris.com or call us at 1-866-704-2708 for current info. Or use the QR code.

Only emergency and urgent care is covered outside the network service area

If you get care outside the service area (see map), you're covered ONLY for urgent and emergency facilities and ambulances, which are covered at the in-network cost-share no matter where you are.

You have no other coverage outside the network

To avoid high out-of-pocket costs and surprise bills, always stay in your network. It's easy to find in-network doctors and hospitals. Just visit asuris.com or our app or call Customer Service at 1-866-704-2708.
